NEW-YORK DAILS TREETING PATUREAT ABOUT A DESCRIPTION OF

purposes of sale, the Chief Baron told the Jury,

The Robels do the same. They seal everything,

purposes of sule, the Chief Baron told the Jury, is effect, that there was no case for them, if the defendants were building the Alexandra for sale on a contract, and that contract had no reference to any subsequent use which might possibly be made of her.

Had the learned Baron forgotten the testimony of De Costa to the builder's (Miller's) declarations (which were admitted only on the tender of a bill of exceptions), that she was building for the Confederate Government, as a gunboat?

We are not surprised that many of the Entered to the sale of the same. They seal everything, even negroes, to keep us from getting any. But you never hear of that being whong. He meisted that all should be for their country, right or wrong, and the people should give the solders their sympathy and support.

It is impossible to do Gen. Logan justice in a tellegraphic report. At the close of his speech the following resolutions were presented by Gen. Hayme, which were slopted maninously.

**Recoles, That we will stand by the constituted authorities the country in early to strength that may assolute the Union and Constituted authorities the states most be restored to the union, and the law gunboat?

We are not surprised that many of the Entered Thest we tender to all our brave and reliant solution.

glish journals, and even The Times, with all its Southern proclivities, should question the correctness, or at least the expediency of Baron Pollock's law. Nor is it strange that the shipping interest of Liverpool should pray to be delivered from such a construction of the acts of neutrality. All is, if we Americane must submit to have a first of Alabamas let loose against us, under forms of law, we think

An earlier of law, we think that we shall make such a note of it for firms on the tangen and the production of the production

discuss design and the control of th down there. All the exigencies of a war like this could not be forseen and provided for by the Constitution. The Fresident was empowered to raise armid loathed by all honest men. As our one hundred indown the Northern Pro-Slavery heart might be made bare and to the forseen and provided for by the Constitution. The Fresident was empowered to raise armid loathed by all honest men. As our one hundred indown the Northern Pro-Slavery heart might be made bare and to the forseen and provided for by the Constitution. The Fresident was empowered to raise armid loathed by all honest men. As our one hundred that was sufficient. It this was according to the Victoria whom are to crown our arms. The field, this General-in-Chief gives us at Vicks and expedition to the field. This General-in-Chief gives us at Vicks the field, this General-in-Chief gives us at Vicks and expendition to the field this General-in-Chief gives us at Vicks the field, this General-in-Chief gives us at Vicks and expendition to the field this General-in-Chief gives us at Vicks the field, this General-in-Chief gives us at Vicks and expendition to the field, this General-in-Chief gives us at Vicks the field, this General-in-Chief gives us at Vicks and expendition to the field, this General-in-Chief gives us at Vicks and expendition to the field, this General-in-Chief gives us at Vicks and expendition to the field, this General-in-Chief gives us at Vicks the field, this General-in-Chief gives us at Vicks and expendition to the field, this General-in-Chief gives us at Vicks and expendition to the field this General-in-Chief gives us at Vicks and expendition to the field this General-Chief gives us at Vicks and expendence of the field this General-Chief gives us at Vicks and expendence of the field this General-Chief gives us at Vicks and expendence of the field this General-Chief gives us at Vicks and expendence of the field this General-Chief gives us at Vicks and expendence of the field this fer that the field this General-Chief gives us at Vicks and expe traitors, on account we must be for our country right on their families. We must be for our country right or wrong. A man who was not for this Government would hate Heaven if he lived in it. He showed how ridiculous was the peace cry; and said the only way to peace was to roundly thrash the lebels, and they would come back as humble as headels, and they would come back as humble as were not sufficiently supplied with subsistance, and began accised. With three disasters ages, what encess had been accised. With regard to the Proclamation was wrong, let them also down, it the Rebels wanted niggers, let them also down, their arms and appeal to the Courts. If the Question was left to the women and children of Mississippi and Lonidana they would army had demoralized them, and our shad note and made them no better. The institution would be worthless whether they game in dependence or not. The General spoke three hours, completely carrying his addictors. What when he arms had possible was the subject of the State have already united with Pennstandinous were present. About 3,000 persons were given for the Union and three passed. About 3,000 persons were present.

Dr. Quon, Friday, July 31, 195.

Gen. Learn M. A. Card, "purporting to be signed by me, relative to "the Support of the State of the subject in order that those wonded the subject in order that those who are liable shall be exposed and punshed as they wanted no more negroes, for the Rebel army had demoralized them, and our's had noted them no better. The institution would be worthless whether they game they are prepared to make the presence of the meeting three presents. About 3,000 persons were presents.

The Culter Caleb Cushing—Centradiction to the subject in order that those subject in order that those words and punshed that the Governor has asked the subject in order to five and child last Monday, was attacked by two the secretary of War to Investigate the subject in order that those words and the subject in order that those words and punshed that those words and punshed that those words are the five and child last Monday, was attacked by two the secretary of War to Investigate the subject in order that the Governor than the Courts. A Mr. Kin the army the restrict Mr. Kin the

Logan at Cairo on the Stump—General

A meeting of the Government of the Board of family of New Ordenia; and W. Jertison of N. C; are at the Ator House.

war on the Government, and if that war was constitutional why was not this? He richedled the surplimentalism of those who objected to the war because the war was against our brethren. He was no Abolitionat for the President, but would stand by him in all his efforts to put down the Rebellion, seen if he sent elsphants S with a trample the people down there. All the exigencies of a war like this could not be forseen and provided for by the Constitution. The President was empowered to raise armise, and that was sufficient. If this was acconstitutional, Jeff. Davis must be right. He defended and explained the Conscription act and denounced the New-York riot. If the leaders were hong to the first tree we would have no more mose. He was one of the sufficient who may be right. The defendent was the mobile provided for by the Constitutional, Jeff. Davis must be right. He defended the sum of the provided for the provid

been placed under arrest within a few days, in complicity with other officials and contractors, has dehebets, and they would come back as humble as leed be, and this whipping they would get as sure frauded the Government in large amounts upon consistence was a God in Heaven. He spoke of the modition of the Government at the time of the breaking out of the Rebelhon—the arms nearly all were not sufficiently supplied with subsistance, and which the Government are sufficiently supplied with subsistance, and which tracts for horses furnished in this city. Our troops showers during the last few days. The wheat, which is now being harvested, will be a two-thirds

and the War Department at Washington in relation here to-day. He was enthusiastically received and to the draft in this State is confined mainly to three points. First, the State authorities claim, and they

say they are prepared to show, that the State has saything to do with it, and take this opportunity of contra-formished the United States up to the present time dieting its sistements. There was no conflict of authority between Mr. W. F. Leighton and myself, neither did any 242,132 men. Adjt. Gen. Sprague, whom the Goveruor first sent to Washington on the draft question, ernor first sent to Washington on the draft question.

It was doubtful whether we could have extinguished the procured an exhibit of troops furnished by this State flames before the explosion took place, and it was not deemed from the War Department, which placed the num-product to make the attempt to go alongside.

Capt. ISAAC WILLETS. ber on the 1st of June last at 200,035. This does not

the different Congressional Districts, which are try, to the effect, that the Abolitionists of Millerssupposed to contain nearly the same population, is burg, Obio, made bonefires over the death of the Hook up the Springfield peace resolutions, and in great disproportion—as, for instance, from the show that if they were correct, all our glorious livin District 5,881 drafted men are called for, and an infamous fabrication. The fact was that some foundation and the Government. If men are from the XVIth District only 1,593, the greatest dis-boys were naving a giorineasion over the Constitution and the Government. If men are loyal by will favor the prosecution on the war; if proportion on the list of men called for from each Morgan. A Copperhead Justice of the Peace of loyal by will find all manner of excuses. If men district. The third issue is, that many of the citi-Millersburg started the canard.

we interpret him, built specially to their order for a war vessel. Yet on the notion that five rations, fought five hittles, were reduced to number liable to do military duty in this S ate, and the proportion of drafted men called for, and the proportion of drafted men called for from the told them to help themselves; and whenever his full for neutrals to build vessels of war for the told them to help themselves; and whenever his the cities, where the Democratic party preportion. Groups Shooting.—To-day the game law pronumber liable to do military duty in this S acc., and the proportion New-York has been called for from the cities, where the Democratic party prepondentes. Judge-Advocate Waterbury, of Gov. Seymon's Staff, returned from Washington on Wednesday, where he had been sent their gans. There will be no draft needed to for explanations on these points. He bring an immense army in the field. The chickens' were never norse plenty than they are made its same for the tashy decreased and in Sterling Silve Cases hands gand and substitute of oregan make sliend a returned from this control of this control of the sent and substitute and Swiss control of this country is fload, and which were never expected to this country because unastible at bonds and substitute with control of the sent that the were made, being referred and swiss control of this country is fload, and which were never expected to this country because unastible at bonds and substitute which were never expected to this country because unastible at bonds and substitute which were never expected to this country because unastible at bonds and substitute which were never expected to this country is fload, and which were never expected to this country because unastible at bonds and substitute which were never expected to this country because unastible at bonds and which were never expected to this country because unastible at bonds, and and which were never expected to this country because unastible at bonds and which were never expected to this country because unastible at bonds and which were never expected to this country is fload, and which were never expected to this country is fload, and which were never expected to this country is fload, and which were never expected to this country is fload, and which were never expected to this country is fload, and which were never expected to this country is fload, and which were never expected to this country is fload, and which were never liferent districts, but simply called for a draft of tributed to a full supply of this fine game this year. one-fifth of the enrolled persons in the State; that the discrepancy between the State and War Department as to the number of troops furnished the United States will be satisfactorily adjusted; that played a number of times with Mr. Gottschalk, will for in each district, arises solely from the difference give, on the 8th of August, at the Ocean-House, New in the enrollment, as one-fifth from each district is called for; and that the Department will endeave as an introduction to several entertainments at that called for; and that the Department will endeave a sample of the districts of the control to devise some expedient to equalize the districts where persons are corolled more than once, if it may not be done by simply not drawing any name to fill the places in instances where the same person

Ambrosia is a Stimulating Oily Extract of Roots,
Barsa and licible. It will care all diseases of the scall
and itching of the head, entirely evalidates dandrift, prevents the hair from failing out or turning prematurely graycauses it to grow thick and long. Beware of imitations. Root
spanning boat Dr. Stering a.

This is to certify that about 13 months ago, I commenced
using STERLINO'S AMBROSIA. My hair was short, this
and rappiny failing off. I had tried many Hair Tonics, Luvia
evators. Ac., without receiving any besent. Soon after using
the Ambrosia, my hair ceased falling out, and commence
growing so rapidly as to astonish me. Now my hair is thick
soft and glossy, and is five feet and four inches in lengthwhen let down reaching to the floor. This wounderful result
attribute solely to the use of STERLINO'S AMBROSIA, a
since I have commenced using it i have applied nothing circ

are commenced using it have applied nothing of the man Fut up in a box containing two words.
